Your Listing
Built to Perform

**Not just published** — designed to attract and convert.

What makes the difference

- **Expert listing services** — pro photography, content and amenities in 15 languages
- **Smart pricing** — powered by real-time market data
- **Early and repeat bookings** — driven by a loyal network of direct customers
- **Targeted direct marketing** — across digital and traditional channels, designed to connect your property with the right travellers
- **Trusted reputation** — backed by excellent reviews on Trustpilot and Google

★ Trustpilot   Google

Properties can be booked online or by phone, 24/7, by guests from all over the world.
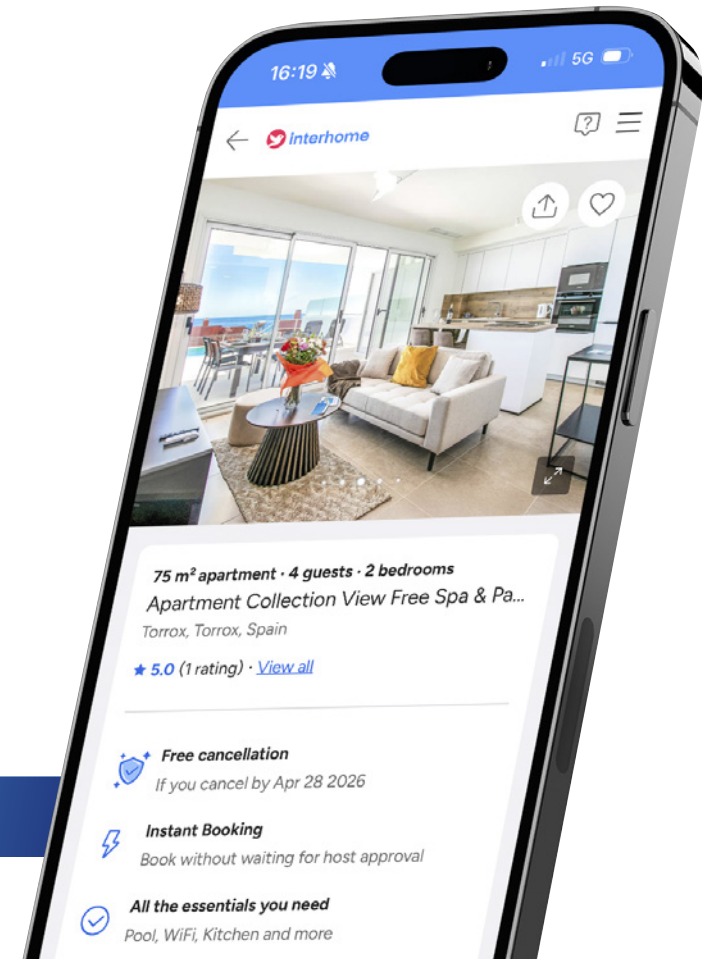

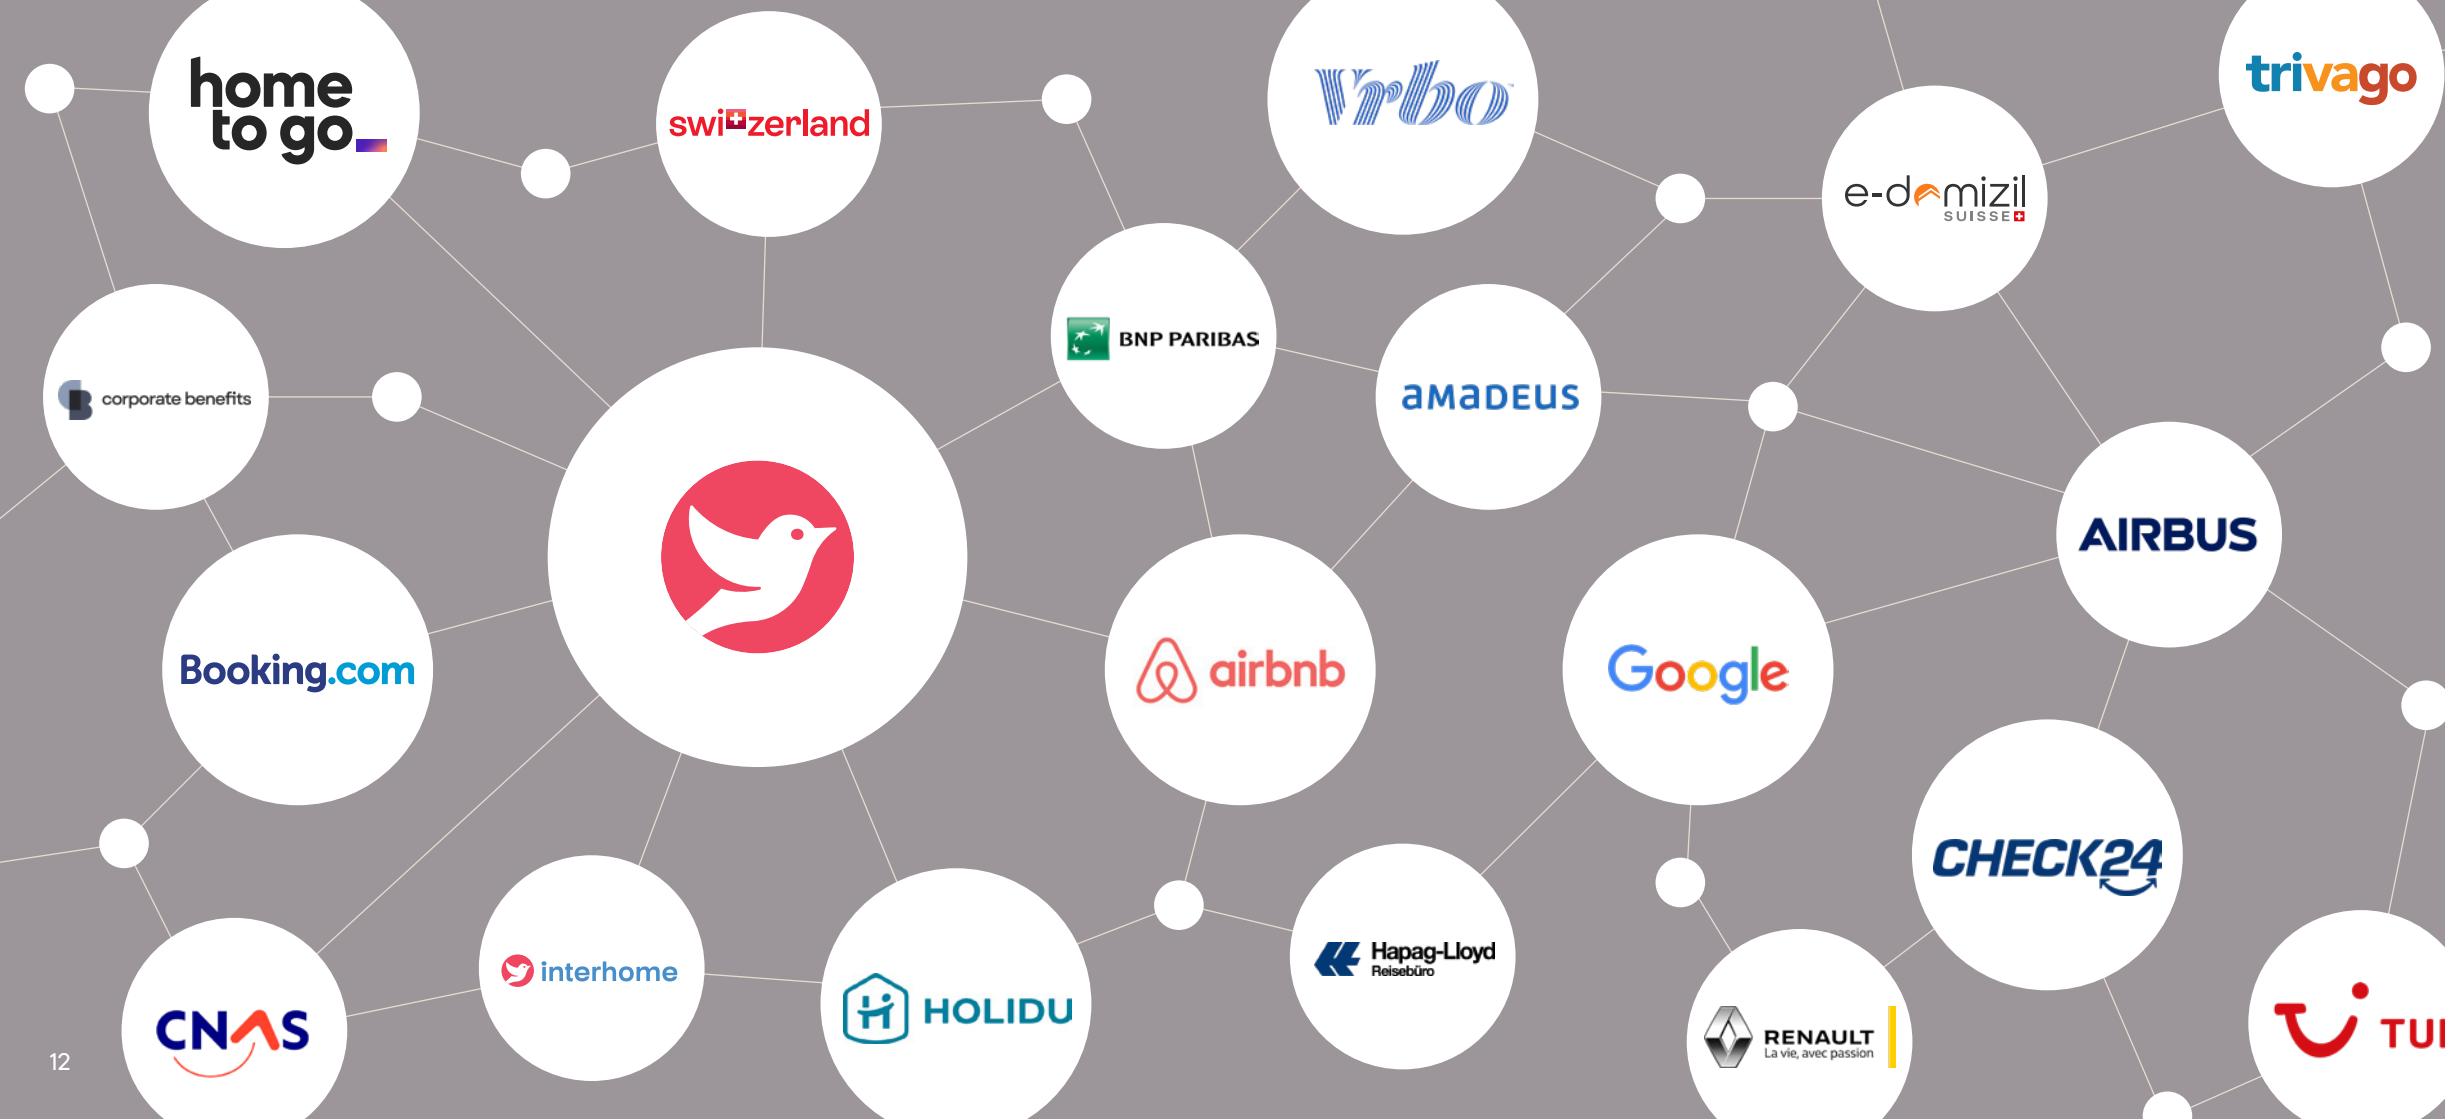

Your Home Listed Where it Counts

We partner with the world's leading booking platforms to maximise your property's reach — **with no extra effort or cost on your part.**

Your holiday home appears not only on Interhome's multilingual websites, but also on trusted platforms like **Airbnb, Booking.com, Google, HomeToGo, VRBO...**

It also benefits from exclusive distribution channels — including partnerships with major employers and an extended network of travel agencies across Europe.
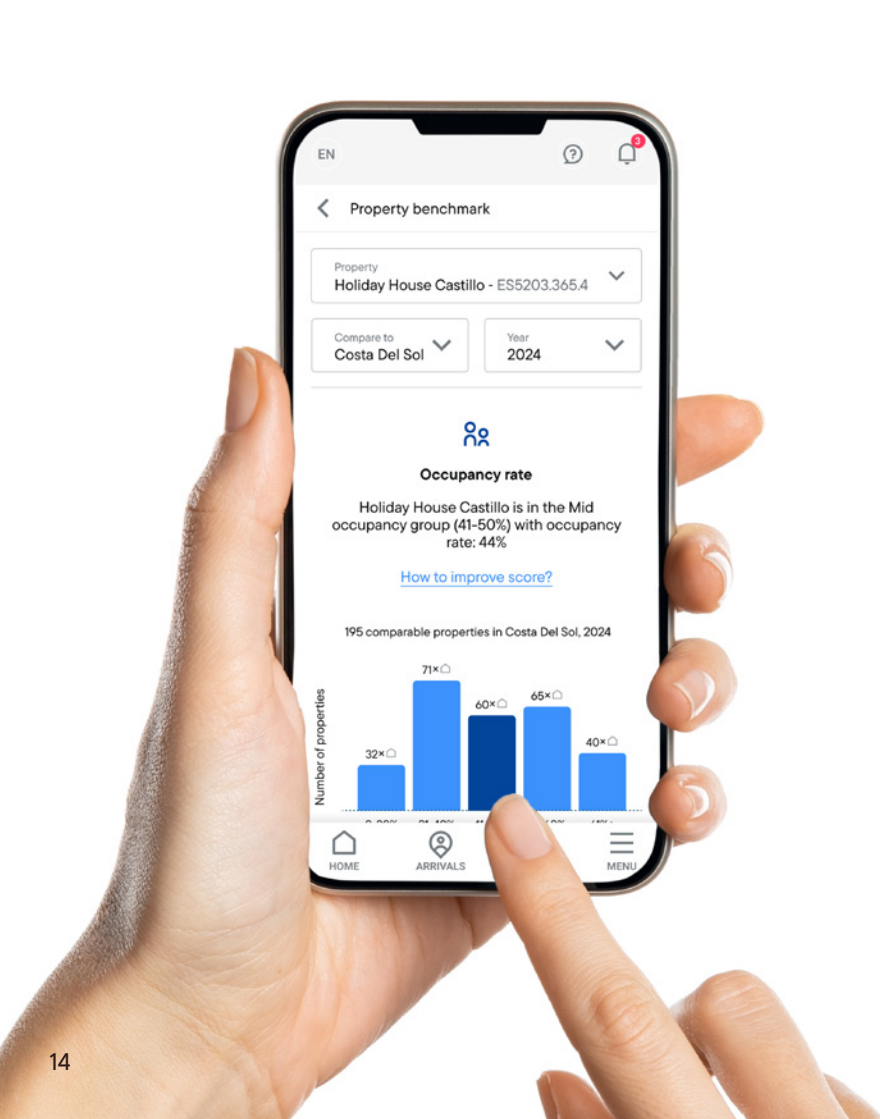

Your Dashboard
Full Visibility, Anytime

Your Owner Portal gives you 24/7 access to key property information — **all in one place.**

- **Booking calendar** — always up to date
- **Rental performance** — dedicated overview
- **Property profile** — see how your listing appears online
- **Guest feedback** — reviews and ratings at a glance
- **Block dates for personal use** — anytime, in a click
- **Share & refer** — send your listing to guests or recommend Interhome to other owners

Get Covered
Protect What Matters

Enjoy peace of mind knowing your holiday home is well covered. **Interhome keeps you protected.**

- **Property damage cover** — If guest damages aren't covered, claim our zero deductible insurance with a simple online form.
- **Insolvency protection** — covers cases where the organiser becomes insolvent before or during the trip
- **Civil liability insurance** — protects against injury or damage suffered by a guest during their stay
- **Business liability insurance** — in the unlikely event of damage caused by Interhome employees or contractors

Holiday Rentals With a Lighter Footprint

Eco-conscious travel is growing — attracting more guests and contributing to a greener future.

For our Owners

- Coaching for reliable sustainable improvements
- Label "ECOmodation" — 24 science-based criteria, certified by independent experts
- CO_2e carbon footprint calculated for many properties
- E-charging stations for cars filterable during booking
- Distance to public transport filterable during booking

Our Commitment

- 100,000 m² of wildflower meadows planted for the bees (with our partner BEESark)
- 1,065 bird nesting boxes installed in Tyrol
- Support of social and environmental projects
- Staff volunteering

Exclusively for our Owners
20 % discount on every booking

More Than a Service

"We've trusted the Sainte-Maxime team with our home for over 10 years. They keep it cared for and well managed — we know it's always in good hands."

Elizabeth, owner Apartment "Les Dauphins", Sainte-Maxime, France

"I trust Interhome 100 %. They take care of the details, our guests leave happy, and we get great reviews and value from our rental."

Marta, owner House "Mas Ambros", Calonge, Spain

"For years now, Interhome has been reliable and on time with everything — from guest care to payments. That gives us real peace of mind."

Pietro and Luisella, owner House "Petra Rossa", Costa Paradiso, Italy
